# 英 語

I. 次の英文を読み、問〔1〕～〔8〕に答えよ。

It is 10:51 am on Sunday morning and I have just a few minutes to try to secure Taylor Swift Eras tickets for her last show in Melbourne. I am watching the clock count down on the website, refreshing the browser every few seconds. It is a narrow window and, so far, <sup>(1)</sup>I am out of luck.

Taylor Swift came into my life through my daughter. She was a Taylor Swift fan from the age of 10. As the only fan in her friendship group, I became her wing woman and <sup>(2)</sup>had no choice but to get onboard. Taylor became not just a constant in both of our lives but the thing that brought us together during my daughter's teenage years. I will never forget the moment when Taylor liked one of my daughter's Instagram posts.

This week, as I have tried to get tickets, I have had many flashbacks to those Swift fan years. Not long after the release of the album 1989, I was diagnosed with cervical cancer and had to undergo major surgery. Thankfully, the surgery went well, and the margins were good. A few weeks after the surgery, I was told that I was one of the lucky ones. Three months later, I was sitting on a white plastic chair at AAMI Park, seeing Taylor in concert at the 1989 tour. I distinctly remember feeling overwhelmed with gratitude at how <sup>( 1 )</sup> I was to be doing this with my daughter.

My daughter is now 20. She moved out of home six months ago and is working hard to save money to travel. She is a smart and confident young woman who knows herself and is also very kind and thoughtful. As a parent, I would love to take the credit but I know that it was not all me. I am certain that I have Taylor Swift to thank for being a great role model and a solace to her when she needed it most.

Over the last couple of years, my daughter's Swift obsession seemed to have lessened as she became an adult. I asked her last week if I could get tickets to the Eras concert; would she want to go? Her response was, <sup>(3)</sup>"Of course, once a Swift fan, always a Swift fan!"

It is now 20 minutes after 12 pm on Sunday afternoon. The concert starts in six hours, and I have missed the 12 pm deadline for resale. <sup>(4)</sup>But I am not sorry. This week, as I have tried to get tickets, I have had many flashbacks to those Swift fan years. When the concert starts, I will be reminiscing about all those times spent with my daughter. I will be thinking about all the young girls attending the concert with their parents. Many of them will be seeing Taylor for the first time, and I will be quietly ecstatic that they are making memories that will last a lifetime.
